

# APPROVED AUTOMATED PHARMACY SYSTEMS

## INSTRUCTIONS

Submit any new Automated Pharmacy System (APS) to the Board of Pharmacy for approval before installing it in Delaware.

Also, notify the Board in writing *prior to*

- installing any APS that the Board previously approved (see below)
- any substantive change in APS
- removing an approved APS

Sections 15.0 and 16.0 of the Board's [Rules and Regulations](#) explain the APS requirements.
