Approved Continuing and Qualifying Education for 11/1/2015 through 10/31/2017

---

---

To apply for approval of continuing education, use the *Request for Approval of Educational Activity*.

---

---

Starting November 1, 2011, all continuing education (CE) courses expire on October 31 of each odd year. To renew approval for the next two years, complete and submit a new *Request for Approval of Educational Activity* beginning in August before the end of the renewal period.

- For complete information on the CE requirements, see Section 2.3 of the Council's Rules and Regulations, available at [dpr.delaware.gov](http://dpr.delaware.gov).
- Qualifying education courses must be a minimum of 15 hours in length and must include an exam.
- Section 2.5.11 of the Council's Rules and Regulations requires that you must take at least 14 hours per license period in a traditional classroom setting with an instructor.
- Section 2.5.12 of the Council's Rules and Regulations requires that all courses must be submitted to the Council for approval, regardless of AQB or IDECC approval.
- To qualify as CE, the Council must approve courses. Either the provider or the appraiser must apply to the Council for approval using a *Request for Approval of Educational Activity* form.
- If you want pre-approval of a CE course, you must submit all required documentation 60 days before the scheduled offering!
